Sir/Me

It is with great enthusiasm that I am writing to recommend the services of Bayanda Business Consulting. Our Company used Bayanda Business Consulting to recruit and train 5 disabled unemployed learners, and we have been entirely satisfied with their professional services.

The training facilitators at Bayanda Business Academy is knowledgeable, courteous, and friendly. They truly care about their learners and went out of their way to ensure the special needs of the learners were addressed.

The learnership consisted of 4 unit standards and Bayanda regularly give feedback of the progress of the learners as well as a well-informed training report at the end of the learnership that consist of all the requirements to report back to all stakeholders.

I'm happy to recommend their services and should you have any questions, please feel free to contact me.
